

➤ 04 SIENNA

XLE shown in Desert Sand Mica

ROLE MODELS.

Here's something to look up to: the all-new, bigger 2004 Toyota Sienna. With a new 230-hp VVT-i V6, a longer wheelbase and an independent front suspension, the Sienna offers a powerful, car-like ride. But that's only the beginning.

- Versatility — with its 60/40 Split & Stow 3rd Row™ seat and available Front and Center™ second-row seat
- Functionality — with an available rear-seat DVD entertainment system

- Versatility — with its 60/40 Split & Stow 3rd Row™ seat and available Front and Center™ second-row seat
- Functionality — with an available rear-seat DVD entertainment system

The 2004 Sienna. It has everything kids want and everything you need.

S = Standard 0 = Optional — = Not Available

P1 = Feature is available only as part of an option package.
P2 = Feature is an additional selection only available on vehicles with a specific option package.

¹Standard on All-Wheel Drive models.

²See Combinations section footnote 5 for more information on Toyota's towing requirements.

³Dynamic Laser Cruise Control is designed to assist the driver and is not a substitute for safe and attentive driving practices. Please see your Owner's Manual for important cautions and instructions.

⁴Auto up/down with jam protection not available on CE.

⁵HomeLink® is a registered trademark of Johnson Controls, Inc.

⁶Eleven cup holders with removable center console.

⁷The Toyota touch-screen DVD navigation system is designed to assist in locating an address or point of interest. Discrepancies may be encountered between the system and your actual location. Changes in street names, road closures, traffic flow or other road system changes may affect the accuracy of the mapping software. Rely upon your common sense to decide whether or not to follow a specified route. Detailed coverage not available in every city. Optional periodic geographical updates available at an additional cost. See your Navigation System Owner's Manual and your Toyota dealer for further details.

⁸Late availability.

⁹The rearview camera is designed to capture a photographic image within the limited frame capabilities of the camera's lens and is not intended to provide a comprehensive view of the entire rear area of the vehicle. This system should not be exclusively relied upon to confirm rearward clearance.

PACKAGES AND OPTIONS

SELECTED CE OPTION PACKAGES

- **CE Package #1** — cruise control and roof rack

SELECTED CE OPTIONS (REQUIRES THE SELECTION OF AN OPTION PACKAGE)

- Front seat-mounted side and three-row side curtain airbags¹¹
- Vehicle Stability Control (VSC)¹⁴ + Traction Control (TRAC) — includes windshield de-icer grid, Daytime Running Lights (DRL) and rear disc brakes

SELECTED LE OPTION PACKAGES

- LE Package #1** — rear-seat audio system, HomeLink^{®5} universal transceiver, overhead multi-information display and passenger-side power sliding door
- LE Package #2** — rear-seat audio system, HomeLink^{®5} universal transceiver, overhead multi-information display, passenger-side power sliding door and 16" 5-spoke aluminum alloy wheels with P215/65R16 All-Season tires
- LE Package #3** — JBL Synthesis AM/FM Cassette/CD with 10 speakers, rear-seat DVD entertainment system with remote control and two wireless headphones (includes two 115V outlets)

SELECTED CE OPTIONS (REQUIRES THE SELECTION OF AN OPTION PACKAGE)

- JBL Synthesis AM/FM Cassette/CD with 10 speakers and two in-glass antennas with FM diversity reception
- Front seat-mounted side and three-row side curtain airbags¹¹
- Vehicle Stability Control (VSC)¹⁴ + Traction Control (TRAC) — includes windshield de-icer grid, Daytime Running Lights (DRL) and rear disc brakes

SELECTED XLE OPTION PACKAGES

- XLE Package #1** — leather-trimmed seats with manual second- and third-row window sunshades
- XLE Package #2** — leather-trimmed seats with manual second- and third-row window sunshades, and power tilt/slide moonroof with sunshade
- XLE Package #3** — leather-trimmed seats with manual second- and third-row window sunshades, and 17" 5-spoke aluminum alloy wheels with P225/60R17 All-Season tires
- XLE Package #4** — leather-trimmed seats with manual second- and third-row window sunshades, 17" 5-spoke aluminum alloy wheels with P225/60R17 All-Season tires and power tilt/slide moonroof with sunshade

- XLE Package #5** — leather-trimmed seats with manual second- and third-row window sunshades, and heated front seats
- XLE Package #6** — leather-trimmed seats with manual second- and third-row window sunshades, power tilt/slide moonroof with sunshade and heated front seats
- XLE Package #7** — leather-trimmed seats with manual second- and third-row window sunshades, 17" 5-spoke aluminum alloy wheels with P225/60R17 All-Season tires and heated front seats
- XLE Package #8** — leather-trimmed seats with manual second- and third-row window sunshades, 17" 5-spoke aluminum alloy wheels with P225/60R17 All-Season tires, power tilt/slide moonroof with sunshade and heated front seats

SELECTED XLE OPTIONS (REQUIRES THE SELECTION OF AN OPTION PACKAGE)

- JBL Synthesis AM/FM Cassette/CD with 6-disc in-dash changer and 10 speakers and two in-glass antennas with FM diversity reception
- JBL Synthesis AM/FM Cassette/CD with touch-screen DVD navigation system^{7, 8} with rearview camera,⁹ and two in-glass antennas with FM diversity reception
- Rear-seat DVD entertainment system with rear-seat audio and two wireless headphones (includes two 115V outlets)
- Front seat-mounted side and three-row side curtain airbags¹¹
- Vehicle Stability Control (VSC)¹⁴ + Traction Control (TRAC) — includes windshield de-icer grid, Daytime Running Lights (DRL) and rear disc brakes

XLE LIMITED OPTIONS

- Color-keyed rear spoiler
- Folding front wood-grain-style convenience tray
- JBL Synthesis AM/FM Cassette/CD with touch-screen DVD navigation system^{7, 8} with rearview camera,⁹ and two in-glass antennas with FM diversity reception
- Rear-seat DVD entertainment system with rear-seat audio and two wireless headphones

⁶Eleven cup holders with removable center console.
⁷See Model Grade Features Footnote 7 for more information on the DVD Navigation System
⁸Late availability.
⁹See Model Grade Features Footnote 9 for more information on the rearview camera.
¹¹The Toyota driver, front passenger, front seat-mounted side airbags and three-row side curtain airbags are Supplemental

Restraint Systems (SRS). The driver and front passenger airbags are designed to deploy in severe (usually frontal) collisions where the magnitude and duration of the forward deceleration of the vehicle exceeds the design threshold level. The side airbags and three-row side curtain airbags are designed to inflate in severe side-impact collisions. In all other accidents, the airbags will not inflate. To decrease the risk of injury from a deploying airbag, always wear seatbelts, sit upright in the middle of the seat as far back as possible from the airbag modules and do not lean against the door. Do not put objects in

front of an airbag or around the seatback. Do not use rearward-facing child seats in any front passenger seat. The force of a deploying SRS airbag may cause serious injury or death. Please see your Owner's Manual for further instructions.
¹⁴Toyota Vehicle Stability Control (VSC) is an electronic system designed to help the driver maintain vehicle control under adverse conditions. It is not a substitute for safe driving practices. Factors including speed, road conditions and driver steering input can all affect whether VSC will be effective in preventing a loss of control. Please see your Owner's Manual for further details.

¹See Packages section footnote 14 for more information on Toyota's Vehicle Stability Control (VSC).

²Brake Assist is designed to help the driver take full advantage of the benefits of ABS. It is not a substitute for safe driving practices. Braking effectiveness also depends on proper brake-system maintenance and tire and road conditions.

³Standard on AWD models.

⁴Cargo capacity limited by weight and distribution.

⁵Before towing, confirm your vehicle and trailer are compatible, hooked up properly and you have all necessary additional equipment. Do not exceed any Weight Ratings and review all instructions and cautions from your trailer hitch manufacturer and Toyota vehicle Owner's Manual.

⁶All-Wheel Drive models come equipped with run-flat tires.

Run-flat tire technology is designed for limited emergency use only. If air pressure is lost, vehicle speed must remain below 55 miles per hour; cornering, braking and accelerating must be done with extreme caution; and the tire should be replaced within 100 miles. See your Toyota dealer for details.

⁷Dealer-installed option on AWD models.

⁸2004 preliminary mileage estimates determined by Toyota. Final EPA mileage estimates not available at time of printing. Actual mileage may vary.

All information presented herein is based on data available at the time of printing, is subject to change without notice and pertains specifically to mainland U.S.A. vehicles only (may differ in the state of Hawaii, Puerto Rico, the U.S. Virgin Islands and in other regions). 1-800-GO-TOYOTA
