*This vehicle eBrochure is designed to identify vehicles commonly available in your area. If you would prefer to purchase a vehicle with no options or additional options, please contact your local dealer to check for current availability or the possibility of placing an order for such a vehicle.

**Manufacturers Suggested Retail Price, excludes the Delivery, Processing and Handling Fee of \$750 for Cars, \$800 for Small/Medium Trucks (Sienna, RAV4, Highlander Gas, Highlander HV, FJ Cruiser, 4Runner, Tacoma, and Land Cruiser), and \$950 for Large Trucks (Tundra and Sequoia). Historically, vehicle manufacturers and distributors have charged a separate fee for processing, handling and delivering vehicles to dealerships. Toyotas charge for these services is called the "Delivery, Processing and Handling Fee" and is based on the value of the processing, handling and delivery services Toyota provides as well as Toyotas overall pricing structure. Toyota may make a profit on the Delivery, Processing and Handling Fee. Excludes taxes, license, title and available or regionally required equipment. The Delivery, Processing and Handling Fee in AL, AR, FL, GA, LA, MS, NC, OK, SC and TX will be higher. Actual dealer price will vary.

*** 2010 EPA-estimated mileage. Actual mileage will vary.

- Power rear door with jam protection
- Anti-theft alarm with engine immobilizer [34]
- Front CFC-free dual zone automatic digital climate control system with air filter
- CFC-free rear air conditioning system with air filter [5]
- CFC-free rear automatic digital climate control system with integrated multi-function display and air filter [6]
- Multi-stage heated front seats [18]

Limited Packages and Options

Highlander Limited Extra Value Package #1 (savings of up to \$1000) [44] - includes JBL® AM/FM/MP3 6-disc in-dash CD changer, satellite radio capability (requires XM receiver and XM subscription) [7], XM Satellite Radio antenna [7] and prewire, MP3/WMA playback capability, hands-free phone capability via Bluetooth® [8] wireless technology and nine speakers including subwoofer in seven locations, power tilt/slide moonroof with sunshade, auto rear air conditioning system with rear vents for second and third rows, multi-stage heated front seats

Highlander Limited Extra Value Package #2 (savings of up to \$1500) [44] - includes voice-activated touch-screen DVD navigation system [9] with JBL® AM/FM/MP3 4-disc in-dash CD changer, satellite radio capability (requires XM receiver and XM subscription) [7], XM Satellite Radio antenna [7] and prewire, MP3/WMA playback capability, hands-free phone capability via Bluetooth® [8] wireless technology and nine speakers including subwoofer in seven locations, power tilt/slide moonroof with sunshade, auto rear air conditioning system with rear vents for second and third rows, multi-stage heated front seats

V6 Towing Prep Package [3] includes 5000-lb. towing capacity, heavy-duty radiator with engine oil cooler, 240-watt fan coupling, transmission oil cooler with water cooler, 150-amp alternator and prewired harness

- Power tilt/slide moonroof with sunshade

- JBL® AM/FM 6-disc in-dash CD changer with satellite radio (requires XM receiver and XM subscription) capability [7], XM Satellite Radio antenna [7] and prewire MP3/WMA playback capability, hands-free phone capability via Bluetooth® [8] wireless technology and nine speakers including subwoofer in seven locations
- Voice-activated touch-screen DVD navigation system [9] with JBL® AM/FM 4-disc in-dash CD changer with satellite radio capability (requires XM receiver and XM subscription) [7], XM Satellite Radio antenna [7] and prewire MP3/WMA playback capability, hands-free phone capability via Bluetooth® [8] wireless technology and nine speakers including subwoofer in seven locations
- Rear-seat DVD entertainment system with 9-inch display, rear-seat audio and two wireless headphones [12] (includes 115V AC power outlet and RCA jacks) [13]
- Multi-stage heated front seats
- Power rear door with jam protection
- CFC-free rear automatic digital climate control system with integrated multi-function display and air filter [6]
- Color-keyed sport-style rear spoiler with LED Center High-Mount Stop Lamp (CHMSL)

Hybrid Packages and Options

Highlander Hybrid Extra Value Package #1 (savings of up to \$700) [44] - includes fabric-trimmed third-row seat, 19-in. 10-spoke alloy wheels, color-keyed sport-style rear spoiler with LED stop lamp, puddle lamps, leather-wrapped steering wheel and shift knob, cargo area tonneau cover, two second-row personal reading lamps, driver and front passenger sun visors with illuminated vanity mirrors, 8-way power driver's seat, silver-painted roof rails, and cargo area second-row one-touch fold-down-flat levers

Highlander Hybrid Extra Value Package #2 (savings of up to \$980) [44] - includes fabric-trimmed third-row seat, 19-in. 10-spoke alloy wheels, color-keyed sport-style rear spoiler with LED stop lamp, puddle lamps, leather-wrapped steering wheel and shift knob, cargo area tonneau cover, two second-row personal reading lamps, driver and front passenger sun visors with illuminated vanity mirrors, 8-way power driver's seat, silver-painted roof rails, cargo area second-row one-touch fold-down-flat levers, power rear door, AM/FM 6-disc in-dash CD changer with satellite radio [7] capability (requires XM receiver and XM subscription), XM Satellite Radio antenna [7] and prewire, MP3/WMA playback capability and six speakers, rear glass hatch, and HomeLink® [25] universal transceiver

- Cargo area tonneau cover
- Anti-theft alarm with engine immobilizer [34]
- Front CFC-free dual zone automatic digital climate control system with air filter [4]
- CFC-free rear air conditioning system with air filter [5]
- CFC-free rear automatic digital climate control system with integrated multi-function display and air filter [6]

**Hybrid Limited Packages and Options**

Highlander Hybrid Limited Extra Value Package (savings of up to \$700) [44] - includes front auto dual zone digital climate control system (includes steering wheel A/C controls), auto rear air conditioning system with rear vents for second and third rows, power tilt/slide moonroof with sunshade

- Power tilt/slide moonroof with sunshade
- JBL® AM/FM 6-disc in-dash CD changer with satellite radio (requires XM receiver and XM subscription) capability [7], XM Satellite Radio antenna [7] and prewire MP3/WMA playback capability, hands-free phone capability via Bluetooth® [8] wireless technology and nine speakers including subwoofer in seven locations
- Voice-activated touch-screen DVD navigation system [9] with JBL® AM/FM 4-disc in-dash CD changer with satellite radio capability (requires XM receiver and XM subscription) [7], XM Satellite Radio antenna [7] and prewire MP3/WMA playback capability, hands-free phone capability via Bluetooth® [8] wireless technology and nine speakers including subwoofer in seven locations
- Rear-seat DVD entertainment system with 9-inch display, rear-seat audio and two wireless headphones [12] (includes 115V AC power outlet and RCA jacks) [13]
- Anti-theft alarm with engine immobilizer [34]
- Front CFC-free dual zone automatic digital climate control system with air filter
- CFC-free rear air conditioning system with air filter [5]
- CFC-free rear automatic digital climate control system with integrated multi-function display and air filter [6]

**Manufacturers Suggested Retail Price, excludes the Delivery, Processing and Handling Fee of \$750 for Cars, \$800 for Small/Medium Trucks (Sienna, RAV4, Highlander Gas, Highlander HV, FJ Cruiser, 4Runner, Tacoma, and Land Cruiser), and \$950 for Large Trucks (Tundra and Sequoia). Historically, vehicle manufacturers and distributors have charged a separate fee for processing, handling and delivering vehicles to dealerships. Toyotas charge for these services is called the "Delivery, Processing and Handling Fee" and is based on the value of the processing, handling and delivery services Toyota provides as well as Toyotas overall pricing structure. Toyota may make a profit on the Delivery, Processing and Handling Fee. Excludes taxes, license, title and available or regionally required equipment. The Delivery, Processing and Handling Fee in AL, AR, FL, GA, LA, MS, NC, OK, SC and TX will be higher. Actual dealer price will vary.

WARRANTIES

Every Toyota Car, Truck and SUV is built to exceptional standards. And that's not idle boasting. We back it up with these Limited Warranty Coverages:

Basic: 36 months/36,000 miles (all components other than normal wear and maintenance items).

Hybrid-Related Component Coverage: Hybrid-related components for hybrid vehicles are covered for 8 years/100,000 miles. The HV battery may have longer coverage under emissions warranty. Refer to applicable Owner's Warranty Information booklet for details.

Powertrain: 60 months/60,000 miles (engine, transmission/transaxle, front-wheel drive, rear-wheel drive, seatbelts and airbags).

Rust-Through: 60 months/unlimited miles (corrosion perforation of sheet metal).

Emissions: Coverages vary under Federal and California regulations. Refer to applicable Owner's Warranty Information booklet for details.

Accessories: For accessories purchased at time of the new vehicle purchase, the Toyota Accessory Warranty coverage is in effect for 36 months or 36,000 miles (whichever comes first) from the vehicle's in-service date, which is the same coverage as the Basic coverage of the Toyota New Vehicle Limited Warranty.

For dealer-installed accessories purchased after the new vehicle purchase, the coverage is 12 months or 12,000 miles (whichever comes first) from the date the accessory was installed on the vehicle, or the remainder of the above 36 months or 36,000 miles Basic coverage from the vehicle's in-service date, whichever provides greater coverage, with the exception of car covers. Car covers are warranted for 12 months from the date of purchase and do not assume any coverage under the Toyota New Vehicle Limited Warranty.

For customers (non-dealer) installed accessories purchased after the new vehicle purchase, the coverage is 1 month or 12,000 miles (whichever comes first), from the purchase date of the accessory.

You may be eligible for transportation assistance if it's necessary that your vehicle be kept overnight for repairs covered under warranty. Please see your authorized Toyota dealership for further details.

For complete details about Toyota's warranties, please refer to the applicable Owner's Warranty Information booklet or see your Toyota dealer.

DISCLAIMERS

All information in this eBrochure is based on data available at time of posting, is subject to change without notice and pertains specifically to continental U.S.A vehicles only.

[*] Manufacturer's Suggested Retail Price. Excludes taxes, license, title and available or regionally required equipment. Actual dealer price may vary. Pricing, specifications, standard features and available equipment are based on information available when this page was produced and are subject to change without notice.

[**] Manufacturer's Suggested Retail Price, excludes the Delivery, Processing and Handling Fee of \$750 for Cars, \$800 for Small/Medium Trucks (Sienna, RAV4, Highlander Gas, Highlander HV, FJ Cruiser, 4Runner, Tacoma, and Land Cruiser), and \$950 for Large Trucks (Tundra and Sequoia). (Historically, vehicle manufacturers and distributors have charged a separate fee for processing, handling and delivering vehicles to dealerships. Toyota's charge for these services is called the "Delivery, Processing and Handling Fee" and is based on the value of the processing, handling and delivery services Toyota provides as well as Toyota's overall pricing structure. Toyota may make a profit on the Delivery, Processing and Handling Fee.) Excludes taxes, license, title and available or regionally required equipment. The Delivery, Processing and Handling Fee in AL, AR, FL, GA, LA, MS, NC, OK, SC and TX will be higher. Actual dealer price will vary

[***] Manufacturer's Suggested Retail Price, including delivery, processing and handling fee. Excludes taxes, title and license. Actual dealer price may vary.

[1] Includes Daytime Running Lights (DRL).

[2] The Highlander Hybrid is not designed to be driven off-road.

[3] Before towing, confirm your vehicle and trailer are compatible, hooked up and loaded properly and that you have any

necessary additional equipment. Do not exceed any Weight Ratings and follow all instructions in your Owner's Manual. The maximum you can tow depends on the total weight of any cargo, occupants and available equipment.

[4] Requires front-seat dual zone automatic digital climate control or Extra Value Package 1 or 2.

[5] Requires third-row seat and manual front air conditioning.

[6] Requires front-seat dual zone automatic digital climate control.

[7] Satellite radio requires XM-compatible receiver and monthly service fee. Vehicles without a factory-installed radio receiver require hardware purchase and installation. See your Toyota dealer for further details. Reception of the satellite signal may vary depending on location. All fees and programming subject to change. Subscriptions subject to the terms and conditions available at www.xradio.com. Available only in the 48 contiguous United States.

[8] The phones on this site have been tested for Bluetooth® compatibility with Toyota vehicles. Performance will vary based on phone software version, coverage, and your wireless carrier. Phones are warranted by their manufacturer, not Toyota.

[9] The navigation system is designed to assist in locating an address or point of interest. Discrepancies may be encountered between the system and your actual location. Road system changes may affect the accuracy of the information provided. Rely on your common sense to decide whether to follow a specified route. Detailed coverage not available in every city or roadway. Periodic updates available at an additional cost. See your Navigation System Owner's Manual for further details.

[10] The backup camera does not provide a comprehensive view of the rear area of the vehicle. You should also look around outside your vehicle and use your mirrors to confirm rearward clearance. Cold weather will limit effectiveness and view may become cloudy.

[11] The backup camera uses the navigation system display on vehicles so equipped.

[12] Headphones are for passenger use only. Do not use while operating vehicle.

[13] Requires moonroof.

[14] The Smart Key System may interfere with some pacemakers or cardiac defibrillators. If you have one of these medical devices, please talk to your doctor to see if you should deactivate this system.

[15] 8-way driver's and 4-way passenger.

[16] Requires third-row seat.

[17] Not available on models equipped with Two-Row Seating Package.

[18] Included with leather seating surfaces. Not available with fabric seating.

[19] Requires JBL® audio.

[20] Requires DVD navigation system.

[21] Vehicle Stability Control (VSC) is an electronic system designed to help the driver maintain vehicle control under adverse conditions. It is not a substitute for safe driving practices. Factors including speed, road conditions and driver steering input can all affect whether VSC will be effective in preventing a loss of control. Please see your Owner's Manual for further details.

[22] Clock displays on Multi-Information Display on vehicles so equipped.

[23] Console rear vents replaced with control panel on vehicles equipped with rear-seat HVAC systems.

[24] Compass deleted from auto-dimming rearview mirror on Limited and Hybrid Limited models equipped with DVD navigation system.

[25] HomeLink® is a registered trademark of Johnson Controls, Inc.

[26] Brake Assist is designed to help the driver take full advantage of the benefits of ABS. It is not a substitute for safe driving practices. Braking effectiveness also depends on proper brake-system maintenance and tire and road conditions.

[27] Vehicle Dynamics Integrated Management (VDIM) is an electronic system designed to help the driver maintain vehicle control under adverse conditions. It is not a substitute for safe driving practices. Factors including speed, road conditions and driver steering input can all affect whether VDIM will be effective in preventing a loss of control. Please see your Owner's Manual for further details.

[28] All the airbag (AB) systems are Supplemental Restraint Systems. All ABs (if installed) are designed to inflate only under certain conditions and in certain types of severe collisions: frontal and knee ABs typically inflate in frontal collisions; side and side curtain ABs in side collisions; Roll-Sensing Curtain ABs at a severe tilt degree, roll or lateral G-force. In all other accidents, the ABs will not inflate. To decrease the risk of injury from an inflating AB, always wear seatbelts, sit upright in the middle of the seat as far back as possible and do not lean against the door. Do not put objects in front of an AB or around the seatback. Do not use a rearward-facing child seat in any front passenger seat. The force of an inflating AB may cause serious injury or death. See your Owner's Manual for further information/warnings.

[29] Active headrests can help reduce the extent of whiplash in certain types of rear-end collisions.

Warranties / Disclaimers

2010 **HIGHLANDER**

[30] The Toyota Tire Pressure Monitor alerts the driver when tire pressure is critically low. For optimal tire wear and performance, tire pressure should be checked regularly with a gauge; do not rely solely on the monitor system. See your Owner's Manual for details.

[31] Tire pressure data is shown on Multi-Information Display on Hybrid models.

[32] Hill Start Assist Control (HAC) is designed to help minimize backward rolling on steep ascents. Downhill Assist Control (DAC) is designed to help the driver maintain vehicle control and speed on steep, downhill descents. Neither system is a substitute for safe driving judgment and practices. Factors including speed, grade, surface conditions and driver input can all affect whether DAC and HAC will be effective in preventing a loss of control. Please see your Owner's Manual for further details. Automatic Transmission models only.

[33] Rear seat on two-row models, middle seat on three-row models.

[34] The engine immobilizer is a state-of-the-art anti-theft system. When you insert your key into the ignition switch or bring a Smart Key fob into the vehicle, the key transmits an electronic code to the vehicle. The engine will only start if the code in the transponder chip inside the key or Smart Key fob matches the code in the vehicle's immobilizer. Because the transponder chip is embedded in the key or Smart Key fob, it can be costly to replace. If you lose a key or Smart Key fob, your Toyota dealer can help, or you can find a qualified independent locksmith to perform high-security key services by consulting your local Yellow Pages or by contacting at www.aloa.org.

[35] Vinyl third-row seat included in available three-row seating configuration.

[36] Deletes Third-row Seat.

[37] For Hybrid models, 3500-lb maximum standard towing capacity. Please see your Toyota vehicle Owner's manual for further details.

[38] Meets Tier 2/Bin 3 Federal emissions standard.

[39] Performance figures are for comparison only and were obtained with prototype vehicles by professional drivers using special safety equipment and procedures. Do not attempt.

[40] EV mode can only be engaged in certain conditions. Please see your Toyota vehicle Owner's Manual for further details.

[41] CAUTION! When driving a hybrid vehicle, pay special attention to the area around the vehicle. Because there is little vehicle noise in electric-only mode, pedestrians, people riding bicycles or other people and vehicles in the area may not be aware of the vehicle starting off or approaching them, so take extra care while driving.

[42] Requires available Towing Prep Package.

[43] Cargo and load capacity limited by weight and distribution.

[44] Package savings based on MSRP of package. MSRP may not reflect actual dealers sale price. Customer savings will vary.

[45] V6 Models only.

[46] 2010 EPA-estimated mileage. Actual mileage will vary.

[47]

[47] Installed MSRP is the Manufacturer's Suggested Retail Price for accessories installed by the manufacturer. Actual prices for dealer installed accessories may vary. Please see your local Toyota dealer for pricing. Prices and product availability are subject to change without notice.

[48] Installation not included. See your local Toyota dealer for installed pricing. Prices and product availability are subject to change without notice.
