

WELCOME TO
MINI

MINI has been offering more thrills than any other car on the road since 1959. It masters the art of being small on the outside while maximizing space on the inside. Equipped with either a naturally aspirated, 121 HP, 16-valve engine for the Cooper or a 181 HP, turbocharged engine for the Cooper S,

each one packs a much-bigger-than-expected punch. Then there's the MINI John Cooper Works, where the power rises to a blistering 208 HP. With seven body types to choose from, no matter which MINI you choose, you'll most certainly always take the road less normal.

BEING ALWAYS OPEN IS NOT NORMAL.

MINI CONVERTIBLE The credo of this four-seater convertible is “Always Open.” It’s the sentiment that speaks to the thrill of motoring without a roof, but also captures a uniquely MINI mindset of being open to whatever adventure might be waiting around the next hairpin curve.

The Openometer gauge on the MINI Convertible keeps track of how long you’ve had the top down. It’s a friendly reminder to help you stay Always Open.

A CAR WITH A SECRET ENTRANCE IS NOT NORMAL.

MINI CLUBMAN does things its own way. With two split rear barn doors, as well as the inconspicuous side Clubdoor, the MINI Clubman offers ready access to a surprisingly roomy interior. Although it may be slightly larger, the MINI Clubman remains completely MINI, from its unmistakable styling to its nimble handling.

MADE FOR THE ROAD BUT BUILT TO FLY IS NOT NORMAL.

MINI COUPE may be the purest expression of the MINI mindset. It's an unapologetically aggressive two-seater with a lower center of gravity that instantly brings out the daredevil in any motorer. Ultra-stiff bodywork, torsional reinforcements and incredibly precise steering combine to create a direct connection to the road while the spectacular styling and retractable spoiler leave no one in doubt about this Coupe's capabilities.

FROM 0 TO GONE IN A BLINK IS NOT NORMAL.

MINI ROADSTER transforms every ride into a show-stopping performance. Its sporty styling, rear spoiler and soft top roof earn it a standing ovation wherever it goes. The impressive two-seater also has incredible handling, so you'll develop a craving to motor that can only be satisfied by strapping in and taking the show on the road.

BEING THE BIGGEST THING IN SMALL IS NOT NORMAL.

MINI COUNTRYMAN is the only MINI with four doors. As the biggest in the family, it's the first MINI to offer the ALL4 all-wheel drive system, which provides variable power distribution between the front and rear axles. With ample space to fit five people for your next big adventure, the MINI Countryman offers iconic MINI styling while allowing you to venture even farther off the beaten path.

**BEING THE UNDERDOG THAT
WINS IS NOT NORMAL.**

MINI JOHN COOPER WORKS In the course of a career that revolutionized racing, John Cooper, the British racing legend, collected three Monte Carlo Rally titles and 16 Grand Prix wins. A fitting tribute to a racing icon, the MINI John Cooper Works offers a potent combination of balanced handling and ballistic acceleration. The MINI John Cooper Works is tuned to achieve performance normally reserved for racecars, which, not coincidentally, is exactly what it is.

All figures above relate to vehicles with the standard 6-speed manual transmission.

A CAR THAT'S JUST AS UNIQUE ON THE INSIDE IS NOT NORMAL.

IT'S WHAT'S ON THE INSIDE THAT COUNTS. Some say MINI goes overboard to create a unique interior like no other. But with contrasting door panels, interior surface options, and signature center speedometer, we say MINI goes the perfect amount of overboard. Also, with a variety of customizable features, MINI upholds its reputation of allowing each car to be unique to each motorer. So go ahead, go overboard.

THE MINI NEXT certified pre-owned selection process is no walk in the park. So when you see the official stamp of approval, rest assured you're looking at one lean, mean, thoroughly inspected motoring machine. Not to mention, MINI NEXT puts you behind the wheel of an incredible car at an incredible price. Plus there's the whole up to 6-year/100,000-mile warranty thing, to make you feel more secure.

MINI NEXT™ CERTIFIED PRE-OWNED

PROGRAM DETAILS

Less than 5 years old. That's why you'll notice every MINI NEXT vehicle still has its youthful glow.

Less than 60,000 miles. Low miles and still ready to do some serious motoring.

Genuine MINI parts. Any parts used to repair or service MINI NEXT vehicles are the real deal: honest, sincere and genuinely MINI.

6-year/100,000-mile warranty.* Just in case you don't take our word for it, the MINI NEXT up to 6-year/100,000-mile warranty speaks for itself.

Roadside Assistance plan. On the off chance of a breakdown, MINI will come pick you up, give you and your MINI a lift, and maybe even sing you a song to lift your spirits.

Rigorously inspected. MINI trained technicians get under the bonnet of every MINI NEXT candidate. Only the finest vehicles receive their coveted seal of approval.

Learn more about MINI NEXT at MINIUSA.COM

*Every MINI NEXT vehicle is covered for up to 6 years or 100,000 miles (whichever comes first). MINI NEXT Warranty Program provides coverage for 2 years or 50,000 miles (whichever comes first) from the date of the expiration of the 4-year/50,000 mile MINI New Passenger Car Limited Warranty, which starts from the in-service date. MINI NEXT cars are only available at authorized MINI Dealers. Please see your MINI Dealer for complete details.

BIG ON FUN AND BIGGER ON SAFETY ARE NOT NORMAL.

YOU CAN NEVER BE TOO SECURE. That's why every MINI is packed with safety features in a compact, efficient package. However, avoiding an accident in the first place is a much better outcome, which is why every MINI includes a host of active safety features including Dynamic Stability Control and the latest-generation four-channel Anti-lock Braking System.

Crash-Test Genius

In the event of an impact accident, doors unlock, interior and hazard lights turn on and the fuel pump shuts down. When a car can think for itself in the event of an accident, you know it's pretty brilliant.

Dynamic Stability Control

DSC lets you rest easy during abrupt swerving maneuvers by maximizing handling through tight corners and reducing the risk of slips and skids.

ADDITIONAL SAFETY FEATURES

Six airbags standard on MINI Hardtop and MINI Clubman. Seven airbags standard on MINI Countryman and Paceman. Four airbags standard on MINI Convertible, MINI Coupe and MINI Roadster.*

Rigid body structure and advanced crumple zones channel collision forces away from the passenger compartment.

Standard Anti-lock Braking System with Corner Brake Control ensures optimum braking performance in any situation.

Available Dynamic Traction Control with Electronic Differential Lock Control for enhanced cornering, standard on John Cooper Works.

A CAR WITH GREAT NETWORKING IS NOT NORMAL.

MINI CONNECTED links with the iPhone® to integrate entertainment and information, including in-car web radio. It also allows users to stay plugged into social networks like Twitter, Foursquare and Facebook while providing access to helpful resources with Google Local search and your calendar.

The Dynamic Music feature offers access to a variety of exclusively composed tracks to match the way you're currently motoring.

And if that's not enough, MINI Connected also comes equipped with the **MINIMALISM** Analyzer. This feature monitors your basic motoring behaviors and makes you aware of possible ways to improve your motoring efficiency. With MINI Connected, you'll be ready to enjoy limitless possibilities of online infotainment.

GREAT THINGS BORN OUT OF TOUGH TIMES ARE NOT NORMAL.

SOMETIMES, WHEN LIFE GIVES YOU LEMONS, you create a revolutionary vehicle. Well, at least that's what Sir Leonard Lord and Alec Issigonis did. In 1959, after the Suez Canal crisis caused fuel prices to skyrocket, these two men were inspired to take on the challenge of creating a small, affordable and fuel-efficient car that still packed in a lot of space. Long story short, the MINI was born. As soon as the feisty car hit the streets, it instantly charmed the crowds with its spirit and fun personality. And after many years, it continues to win hearts wherever it motors.

THE MINI MOTORER PLEDGE

BOOT TO BONNET NO COST MAINTENANCE

MINI puts on a performance every time it hits the road. To ensure your vehicle performs at its best, MINI offers No Cost Maintenance standard for the first 3 years or 36,000 miles. That's how we keep the show on the road.

WARRANTY

At MINI we love you, our customers. And we express our love and commitment to you with a 4-year/50,000-mile New Passenger Car Limited Warranty and a 12-year/unlimited-mileage limited warranty against rust and corrosion perforation. Now that's what you call true love.

ROADSIDE ASSISTANCE PROGRAM

If MINI Owners are ever in need, they've got a friend indeed. The MINI Roadside Assistance Program is available 24 hours a day, anywhere in the U.S., Canada or Puerto Rico. The program offers towing, lock-out service, on-site assistance and custom computerized trip-routing services. And for a nominal fee, the MINI Service Card extends this service after the New Passenger Car Limited Warranty for as long as you wish. So whenever you're in need, we're only a toll-free phone call away.

For a list of terms and conditions for all the good stuff above, visit MINIUSA.COM/SERVICE

OUR PROMISE TO OUR CUSTOMERS.

Your time is valuable, and we will always respect it.

We will greet you promptly, but **do not be alarmed if we hug you.** We simply wish to welcome you into our warm, inviting and comfortable facility.

We will always offer you a test drive (how could you resist one?), and help you find the MINI that fits your needs.

We will keep you informed of vehicle delivery or service delays, though such cases are rare.

Your MINI's features and functions will be explained in the time frame and manner you prefer. That is, quickly, so you can get motoring.

Alternate transportation will be provided whenever appropriate.

We endeavor to service your MINI right the first time, every time.

We will clearly explain service requirements and charges.

Not only that, but your new MINI will be delivered in showroom condition, and after each service, it will be **washed and vacuumed.**

Lastly, we promise to contact you promptly in the method you prefer after each inquiry or visit, but we don't do carrier pigeons.
